Fasto

DESCRIPTION: FASTO is an all purpose, water-based cleaner and degreaser containing no butyl or phosphates. FASTO is a completely safe, environmentally friendly, multi-purpose product that is safe on all surfaces not harmed by water. FASTO'S neutral formula will not harm metals or damage wood, yet is strong enough to clean heavy dirt, grease and grime, leaving a pleasant lavender fragrance. FASTO is V.O.C. compliant in all 50 states, is non-flammable, non-toxic and biodegradable. FASTO contains special wetting agents that provide deep, penetration and cleaning power. FASTO works equally well in a wide variety of applications, from oils to grease to even printing inks.

ADVANTAGES: 1) Pleasant to use, cleans and deodorizes in one step. 2) Provides superior cleaning and degreasing performance over multiple applications. 3) Contains no butyl, no phosphates, no chlorinated solvents or petroleum distillates. 4) Highly concentrated with recommended dilution rates up to 64:1. 5) Easy to rinse and completely soluble in water, regardless of the degree of hardness. 6) Safely removes oils, greases, grime, road film, soap scum, lipstick, crayon, inks, dirt and much more, from all surfaces not harmed by water.

AREAS OF USE: Walls, floors, doors, lobbies, ovens, trucks, tractors, equipment, boilers, generators, lockers, presses, motors, tools, appliances, sinks, counters, fans, concrete, brick, ceramic, vinyl, enamel, steel, chrome, plastic, rubber, printing presses and more.

SPECIFICATIONS:

Color	Purple
Odor	Lavender
Flash point	None
Boiling point	212° F
pH (concentrate)	7.0
V.O.C.	< 3%
Soil penetration	Excellent
Solubility in water	100%
Biodegradability	100%
