Pure Force

DESCRIPTION: PURE FORCE is a 100% natural solvent-based product designed to clear and deodorize clogged drain lines. PURE FORCE is environmentally friendly, and contains NO petroleum distillates, NO chlorinated solvents, NO caustics and NO acids. PURE FORCE contains a powerful blend of natural degreasers and deodorizers, formulated to out perform the conventional hazardous drain openers. PURE FORCE delivers pure product with a high-pressure spray through an extension tube that provides quick product penetration directly to the source of the problem. PURE FORCE immediately attacks greases, fats, body oils, soap scum and more. PURE FORCE works great in showers, bathtubs, sinks, garbage disposals, water fountains, drain lines, grease traps and more. Excellent for use in industrial plants, schools, hotels, hospitals, restaurants and wherever drains are a problem. PURE FORCE is the all-natural solution to today's drain problems. This product is VOC compliant in all states.

ADVANTAGES: 1) Pure product goes directly to the clog, without being diluted in the drain line first. 2) Environmentally friendly, biodegradable and contains all natural ingredients. 3) Completely safe on all plumbing fixtures and drain lines. 4) Safe to the user, containing no acids, no caustics, no chlorinated solvents and no petroleum distillates. 5) Cleans out and deodorizes each drain with every application, leaving a pleasant citrus fragrance. 6) Excellent for use with a preventative maintenance schedule.

AREAS OF USE: Apartment complexes, office buildings, schools and colleges, industrial plants, hotels, hospitals, nursing homes, restaurants and kitchens, shopping malls and wherever drains pose a problem. Excellent for use in sinks, showers, bath tubs, garbage disposals, drinking fountains, drain lines, grease traps, floor drains and more.

CAUTION: Avoid contact with eyes. If eye contact occurs, flush with water for 15 minutes while holding the upper and lower lids open. If irritation persists, see a doctor.

SPECIFICATIONS:

Classification	Aerosol drain opener
Appearance	Orange liquid
Odor	Citrus
Flash point (conc)	122°F
Aerosol flammability	Extremely flammable spray
Solubility in water	Insoluble
VOC	97%
Biodegradability	100%
