4 The Birds

DESCRIPTION: 4 THE BIRDS is a transparent, sticky compound which when applied to ledges and sills, will discourage birds from roosting or returning to these covered areas. 4 THE BIRDS stops nuisance birds, without harming them, by making a surface unpleasant for birds' feet so they do not return. 4 THE BIRDS is effective for up to a year in all temperature ranges, and may be used indoors and outdoors. 4 THE BIRDS is made up of completely non-hazardous materials. 4 THE BIRDS is easy to apply, safe to the user, and also safe to the birds.

ADVANTAGES: 1) Completely safe to use, does not permanently injure the birds. 2) Since the product is completely transparent with only a bland odor, it may be used indoors quite effectively. 3) Repels birds from ledges and roofs, fire walls, rafters, joists, light fixtures, signs and anywhere else roosting birds may cause a problem. 4) Long lasting results, working effectively for 1 year. 5) Works well in wide temperature ranges, remaining tacky at 15°F and will not run up to 200°F.

AREAS OF USE: For repelling pigeons, house sparrows, starlings, sea gulls (including ring-billed, California and herring), blackbirds (including brewer's, cow-birds and grackles), crows (common), and ravens.

SPECIFICATIONS:

Classification	Liquid (Gel)
Color	Clear
Odor	Slight Petroleum
Flammability	Not Available
Boiling point	Not Available
Solubility in water	<1%
