## **Citra Power**

**DESCRIPTION:** CITRA POWER is an Earth Friendly certified product made from all natural solvents, cleaners, and surfactants. This remarkable formula mixes easily with water yet maintains its cleaning ability even at dilution rates as high as 50 to 1. CITRA POWER is 100% biodegradable and contains no phosphates, chlorine, or animal by-products and is completely formulated with renewable resources. CITRA POWER is the first Earth Friendly solvent cleaner that outperforms hazardous petroleum-based chlorinated solvents and caustic detergents while not harming the user or the environment. This unique product contains only natural surfactants and cleaners which avoid depletion of nonrenewable resources and is specifically formulated not to burn skin, eyes or lungs.

**ADVANTAGES:** 1) CITRA POWER contains only safe, natural cleaning agents. 2) This highly concentrated cleaner/degreaser can be used full strength, or can be diluted up to 64 parts water depending on your application, equipment, or cleaning needs. 3) CITRA POWER rapidly biodegrades and returns to nature easily making it a truly "green" product. 4) CITRA POWER has a pleasant citrus scent.

**AREAS OF USE:** Heavy equipment, trucks, buses, aircraft, engines, floors, walls, concrete, painted surfaces, etc., and can be used with all power washers, scrubbing machines and extractors.
