

Deodorant Block

DESCRIPTION: DEODORANT BLOCKS are 5 pound non-para blocks packed in a unique mesh hanger for convenient, ready to use hanging. DEODORANT BLOCKS are perfect for sewers, elevator shafts, dumpster areas, garbage collection areas, water treatment facilities and more. DEODORANT BLOCKS are the most effective and economical space deodorant money can buy, as a single block will control odors continuously 24 hours per day for up to 16 weeks. Simply place DEODORANT BLOCK in an area where harsh odors exist. Leave the protective netting on the block so that it can easily be moved. The block releases a pleasant pink cherry fragrance and evaporates completely. Once evaporated, discard the netting and replace the block.

ADVANTAGES: 1) Packed with organic ingredients that eliminate odors. 2) Air activated, cherry scented and ready to work when needed. 3) Each block fights odors 24 hours/day, lasting for up to 4 months 4) Packed in a mesh net for easy hanging where needed.

AREAS OF USE: Sewers, garbage collection areas, water treatment facilities, elevator shafts, municipal facilities.
