### Graff Off

**DESCRIPTION:** GRAFF OFF is the ultimate product for graffiti removal, combining the strength of the past with the environmental concerns of today and tomorrow. GRAFF OFF contains powerful natural degreasers and deodorizers that are specially blended to out perform the conventional hazardous solvent degreasers. When required, GRAFF OFF provides superior penetration into porous surfaces lifting and removing the unwanted markings. Special viscosity enhancers allow GRAFF OFF to cling to vertical surfaces for extended contact time, removing all the graffiti. GRAFF OFF is quick, easy to use, extremely effective and most importantly, safe to use.

**ADVANTAGES:** 1) Blended to be user friendly, containing NO CHLORINATED SOLVENTS. 2) Clinging liquid formulation allows for superior contact time, which insures full graffiti removal. 3) Works equally well on porous and non-porous surfaces. 4) Safely removes ink, paint, road tar, scuff marks, adhesives, crayon, lipstick, grease markers, permanent marker, chewing gum, make-up and many more markings. 5) Safe on all metals, concrete, brick, cinder block and most plastics, lexans and plexiglass. 6) Easily and completely rinses with water.

**AREAS OF USE:** For removing graffiti from road signs, restrooms, school corridors, desk tops, marking boards, elevators, vehicles, lockers, portable toilets, printing presses, walls, concrete, brick, billboards, bridges, sidewalks, busses, trains, trucks, buildings, play ground equipment, and much more.
