

## Graffiti Gone Wipes

**DESCRIPTION:** GRAFFITI GONE WIPES is a unique graffiti wipe, combining a high quality graffiti removal formula with a highly absorbent, dual sided wipe. GRAFFITI GONE WIPES is formulated to break down, loosen and dissolve graffiti while absorbing the residue. GRAFFITI GONE WIPES unique wipe will hold the residue in the wipe without re-depositing it on other surfaces. GRAFFITI GONE WIPES is safe on most plastics, Plexiglas, most reflective signs, road signs, metals, porcelain, Formica, baked enamel surfaces, bathroom partitions and many other non-porous surfaces. GRAFFITI GONE WIPES safely removes permanent marker, inks, paints, urethanes, epoxies, varnishes, lipstick, crayons and scuff marks. GRAFFITI GONE WIPES makes graffiti removal EASY and COMPLETE.

**ADVANTAGES:** : 1) Easy to use, no messy liquid or aerosol over sprays. 2) Safe on most hard non-porous surfaces, not recommended on flat or semi-gloss painted surfaces. 3) Unique wipes wick the graffiti into the towel and will not transfer it to other surfaces. 4) Non-scratching wipe will not harm background surface, only removes graffiti. 5) Quick, convenient, economical and portable. 6) Effective for paint, lipstick, crayon, ball point, marker inks, mimeo ink, fingerprints, stencil ink, pencil, spray paint, scuff and rubber marks, wax build-up, scotch tape marks, grease, varnish and more.

**AREAS OF USE:** Road signs, vending machines, phone booths, lockers, elevators, school buses, subways, trains, chemical toilets, public restrooms, desks, tabletops, vinyl upholstery, billboards and many more surfaces.
