Leak No More

DESCRIPTION: LEAK NO MORE is a complete quick fix pipe and hose repair kit. LEAK NO MORE stops leaks on all pipes used in marine, industrial, residential, agricultural and mining sectors. Each LEAK NO MORE kit includes a pair of protective gloves, a resin coated fiberglass tape and an application lubricant. LEAK NO MORE quickly stops leaks in all pipes and hoses with a diameter of at least one inch. LEAK NO MORE is safe on all conventional piping materials, such as galvanized steel, cast iron, copper, PVC, CPVC, ABS and even concrete. LEAK NO MORE sets like steel in less than 30 minutes, can be applied under water and withstands over 180 PSI and temperatures to 600°F.

ADVANTAGES: 1) Each kit is designed to completely repair a leak, no other materials are required. 2) Start to finish, most leaks can be repaired with the lines back running in less than 1 hour. 3) After curing, LEAK NO MORE is chemically resistant to most chemicals and fuels, including acetone, ammonia, mineral spirits, ethyl alcohol, gasoline, diesel, MEK, toluene, ethylene glycol, crude oil, hydraulic oil, varsol, sulfuric acid (30%) and hydrochloric acid. 4) Quick, easy and cost effective to use.

AREAS OF USE: LEAK NO MORE stops leaks on all pipes used in marine, industrial, residential, agricultural and mining sectors.

SPECIFICATIONS:

Classification	Fiberglass
Color	White
