Mark It

DESCRIPTION: MARK IT is the ultimate traffic marking paint. MARK IT is a highly efficient water based marking paint, making the painted lines traffic ready in only 60 minutes. MARK IT has a high solids content, is long lasting and has an inverted spray top for convenient application. MARK IT is designed for use on concrete, blacktop and most other surfaces, including playgrounds, grass, tennis courts, parking lots, driveways, gravel, dirt and athletic fields. MARK IT is available in the following colors, white, blue, yellow, green and red. MARK IT is a heavy duty, industrial strength marking paint.

Available in Blue, Green, Red, White and Yellow. Cap indicates color.

ADVANTAGES: 1) Water based formulation is VOC compliant in all 50 states. 2) Meets APWA standard colors. 3) May be actuated by hand or used with a mechanical marking wand. 4) Fast drying, ready to use traffic lines in 1 hour. 5) Convenient to use non-clogging inverted spray top. 6) Safe on grass. 7) Contains no lead.

AREAS OF USE: City, county, state and federal public works personnel, golf courses, cemeteries, hospitals, school districts, hotels, construction workers, vehicle maintenance shops, utility workers, farmers, landscapers and more.
