One Step

DESCRIPTION: *ONE STEP is a uniquely formulated vehicle soap, designed to clean and polish in one application. ONE STEP is highly concentrated and contains the finest detergents, wetting agents, foam stabilizers and rinse additives for effortless, streak free cleaning. ONE STEP quickly penetrates through dirt, grease and grime, leaving behind a shiny clean finish. After drying, ONE STEP leaves a crystal clear, protective shield which yields a bright luster and helps repel dust and dirt from sticking to the surface. ONE STEP is safe on all vehicle finishes, even the finest paint jobs and waxes are easily maintained. ONE STEP helps restore that "new car" look to any vehicle, quickly and easily.*

ADVANTAGES: 1) A unique one step wash and polish product which leaves a mirror like finish. 2) Highly concentrated formulation, with suggested dilution ratios up to 1 ounce per gallon. 3) Contains special additives which enable water to sheen off the surface, eliminating water spotting. 4) Formulated with specialized foam stabilizers to provide long lasting suds for quick cleaning action. 5) Leaves behind a monomolecular shield to protect the surface from the atmosphere. 6) Safely removes dirt, grease, oil, road film, insects, bird droppings, exhaust film, gasoline residue and much more.

AREAS OF USE: *Automobiles, trucks, buses, vans, pickups, boats, snow mobiles, jet skis, golf carts, travel trailers, recreational vehicles, taxicabs, forklifts, tractors, mowers, cranes, backhoes and many more.*
