

## Soy Graffiti Remover

**DESCRIPTION:** SOY GRAFFITI REMOVER is a soy based, heavy duty graffiti remover. SOY GRAFFITI REMOVER is extremely effective, biodegradable and made with 100% sustainable, plant-based ingredients. SOY GRAFFITI REMOVER works well on all hard surfaces, such as lexan, plastic, laminate, glass, formica, baked enamel surfaces, brick, metal, brass, chrome, tile, concrete and more. SOY GRAFFITI REMOVER quickly removes paint, ink, permanent marker, crayon, adhesive, tar, lipstick, scuff marks and many other marks. SOY GRAFFITI REMOVER even works well on most road signs, and is safe on some reflective coatings.

**ADVANTAGES:** 1) Ready and easy to use, no diluting needed. 2) Safe on most hard surfaces, not recommended for use on flat or semi-gloss painted surfaces. 3) Unique soy based graffiti removing compound works quickly and completely. 4) Made with 100% renewal resources, completely biodegradable. 5) Effective for paint, lipstick, crayon, ball point, permanent marker inks, mimeo inks, fingerprints, stencil inks, pencil, spray paints, wood dyes, varnishes, scuff and rubber marks, adhesive removal and much more. 6) Safe on some road sign reflective coatings.

**AREAS OF USE:** For municipal, institutional and industrial use on hard non-porous surfaces, such as: road signs, vending machines, phone booths, lockers, elevators, school buses, subways, trains, public restrooms, desks, tables, vinyl upholstery and more.
