

Industrial Products

Applause Heavy Duty Hand Soap

DESCRIPTION: APPLAUSE is a heavy duty, industrial strength hand soap containing the antibacterial ingredient PCMX. APPLAUSE has been fortified with natural walnut shell scrubbers to enhance the cleaning ability of the soap. The scrubbers have the same cleaning ability of pumice, but are completely biodegradable and will not build up in drains and pipes. APPLAUSE also contains superior emollients to help soften and condition the skin as it cleans. APPLAUSE is easily rinsed and leaves no fragrance on the hands when finished. APPLAUSE offers powerful, industrial strength cleaning yet is mild to the skin. APPLAUSE is a USDA Certified Biobased product.

Available in 2.5 L dispenser refills and 3.8 ounce squeeze top bottles.

ADVANTAGES: 1) Non-solvent formula eliminates drying and cracking. 2) Contains superior skin emollients & skin conditioners. 3) No dyes or perfumes. 4) Contains natural walnut shell scrubbers. 5) Thick concentrated formula reduces hand soap use by up to 75%. 6) Washes away completely with no greasy residue. 7) Contains no phosphates.

AREAS OF USE: Manufacturing plants, vehicle maintenance shops, engineers and maintenance, warehouses, municipalities, landscapers, painters, plumbers, electricians, carpenters, mechanics, and general maintenance personnel anywhere.
