

## Industrial Products

### C - O - B

#### Coil Odorless Bulk

**DESCRIPTION:** C-O-B Non Acid Cooling Coil Cleaner is an odorless, biodegradable formula designed for easy cleaning of deposits on coils and air cooled condensers. C-O-B eliminates the need for high pressure sprayers. This unique product is fast and easy to use. Simply spray the product evenly over entire area from the air intake side. No rinsing is required. This effective formula not only cleans the coils but will also degrease and deodorize condensate pans and drain tubes. Grease, dirt and lint wash away with condensate and C-O-B is safe to wash down municipal sewer systems.

**ADVANTAGES:** 1) Free rinsing formula washes away with condensate. 2) Odorless for sensitive areas where no odors are acceptable. 3) Cleans, deodorizes and degreases all copper and aluminum coils and compressor fans. 4) Non-acid, safe on drain pans, plastics and other materials in and around coils and condensers.

**AREAS OF USE:** Mostly any coils, such as roof top HVAC units, auto radiators, ventilators, dryers, refrigerators, air cooled equipment, condensers, and more. Excellent for use in schools, hospitals, hotels, kitchens and anywhere else where NO ODORS are acceptable.

#### SPECIFICATIONS:

Classification	Liquid
Color	Clear
Odor	Slight
Flash Point	None
Solubility in water	Complete
pH	12-13

**Certified 100% Women-Owned Small Business**

**Dedicated to Integrity • Reliability • Quality Products • Friendly Service**
