Neutra Kleen

DESCRIPTION: NEUTRA KLEEN is a blend of a special soap base with a mixture of surfactants chosen for their ability to attack soil and hold it in suspension, and emulsification agents. NEUTRA KLEEN easily removes all types of soils from most surfaces not harmed by water. Although NEUTRA KLEEN is gentle and mild, it will attack all types of grease and grime and hold the soil in suspension for easy removal. NEUTRA KLEEN rinses completely film free. NEUTRA KLEEN may be safely used on real marble and terrazzo surfaces. The floors can be dry buffed after using the cleaner and the surfaces will be brought up to a very high luster.

ADVANTAGES: 1) Pleasant to use, no heavy perfumes. 2) Provides superior cleaning and degreasing performance. 3) Easy to rinse and completely soluble in water, regardless of the degree of hardness. 4) Safely removes oils, grime, dirt and much more, from all surfaces not harmed by water.

AREAS OF USE: Any cleaning application requiring a more gentle or mild cleaner, marble, terrazo, and any other surface not harmed by water.

SPECIFICATIONS:

Classification	Liquid cleaner
Color	Clear
Odor	None
Flash point	None
Boiling point	212* F
pH (concentrate)	9.5
Solubility in water	100%
Biodegradability	100%
