## **Shine It On**

**DESCRIPTION:** SHINE IT ON is a truly unique 3 in 1 product which cleans, shines and protects in one easy application. SHINE IT ON keeps tires looking showroom new, while prolonging the life of the tire. SHINE IT ON requires no wiping, no touching and no messy rags. Just spray on tires and walk away. SHINE IT ON easily dissolves dirt and oil, drying in minutes to a lustrous, like-new shiny protective finish. SHINE IT ON penetrates rubber to protect from cracking, fading and aging. SHINE IT ON is safe for use on wheels and wheel covers of all types.

**ADVANTAGES:** 1) Easy to use application, just spray and watch. 2) Cleans, shines and protects in one step. 3) Protects against discoloration, oxidation, fading, ozone deterioration, drying, cracking and aging. 4) Safe on all wheels and wheel covers.

**AREAS OF USE:** All rubber tires, bumpers, mud flaps, wheels, wheel covers, trim, fan belt storage, many boating applications, and any other rubber surfaces to be cleaned, shined and protected from environmental aging.
