Star Shine

DESCRIPTION: STAR SHINE is a unique product that has been formulated to create a residue free cleaner that eliminates spots, film and streaks. STAR SHINE may be used on any surface not harmed by water. STAR SHINE cleans with a rich foam, lifting and loosening dirt and grime while leaving a light pleasant fragrance. STAR SHINE cleans and brightens in one easy step. STAR SHINE dissolves grease, oil, finger marks, smudges and soils on contact, leaving glass sparkling clean. STAR SHINE leaves no spots, film or streaks even at warm or cold temperatures.

ADVANTAGES: 1) Rich foamy formulation creates a superior cleansing action. 2) Dries crystal clear and is residue free. 3) Performs well in both warm and cold weather. 4) Low V.O.C. formulation. 5) Contains NO OZONE DEPLETING compounds. 6) Spray and wipe, non-streaking formula.

AREAS OF USE: Windows, mirrors, windshields, showcases, CRT screens, TV screens, copy machines, plexiglas, chrome, enamel, porcelain, counters and table tops, tile, plastic, stainless steel, shower doors, glasses, etc.
