AB 3000

Anti-bacterial Hand Soap

DESCRIPTION: AB 3000 is a bright orange color anti-bacterial hand soap with a clean floral scent. AB 3000 contains high concentrations of PCMX, an extremely effective anti-microbial. Special conditioners and moisturizers leave the hands soft and supple. Excellent for use in homes, schools, offices, restaurants, medical facilities, food processing plants, industrial plants and many others. AB 3000 is an excellent front line defense against the spread of disease causing bacteria, viruses and fungi.

ADVANTAGES: 1) Enhanced and fortified to provide the ultimate in gentle yet effective skin cleaning. 2) Designed for daily use, will not dry out or irritate the skin. 3) Provides excellent defense against the spread of disease causing bacteria or fungi. 4) Highly concentrated so that a little bit goes a long way. 5) Easily rinses off with water, leaves no unpleasant residue or film.

AREAS OF USE: Hotels, restaurants, office buildings, recreation rooms, industrial plants, warehouses, paint shops, plumbing shops, grounds maintenance shops, hospitals, nursing homes, health clubs, day care centers, government offices and any other place where people wash their hands.
