Clear Chain & Cable Lube

DESCRIPTION: CLEAR CHAIN & CABLE LUBE is a unique, clear (non-staining) full service lubricant for chains and cables. CLEAR CHAIN & CABLE LUBE provides a thick foam that clings to vertical surfaces. As the foam breaks down, a mixture of penetrants, anti-oxidants, oils and greases creep into chain components and cable strands to provide excellent lubrication and rust prevention. CLEAR CHAIN & CABLE LUBE contains specialized anti-wear additives that provide the surface with superior lubricating properties. CLEAR CHAIN & CABLE LUBE protects against high temperatures and extreme pressure environments. CLEAR CHAIN & CABLE LUBE is excellent for use anywhere staining is possible, also it may be used in a wide variety of applications to prevent metal-to-metal contact and reduce friction, heat, stress, and wear during operation. CLEAR CHAIN & CABLE LUBE will not break down, fly off or wash away with water or steam.

ADVANTAGES:1) Unique penetrating foam flows inside intricate chains and cables where the greatest stress occurs. 2) Extends the working life of chains and cables saving overall maintenance costs. 3) Retains lubricating properties under heavy shock load, acidic environments and salt spray. 4) Leaves a CLEAR protective lubricating film that prevents surface oxidation and corrosion. 5) Contains NO OZONE DEPLETERS.

AREAS OF USE: Material handling equipment, road and construction equipment, various marine applications, chains, wire cables, open gears, sprockets, chain saws, conveyor chains, drag lines, power drives, fittings, booms, hoists, winches, cranes, tow lines, linkages and rollers.

Industrial Products

The Professionals' Choice!

SPECIFICATIONS:

| | |
|----------------------------|--------------------------|
| Classification | Aerosol lubricant |
| Color | Clear |
| Odor | Petroleum |
| Flammability | Flammable spray |
| Propellant | Hydrocarbon |
| Solubility in water | Negligible |

Certified 100% Women-Owned Small Business

Dedicated to Integrity • Reliability • Quality Products • Friendly Service

Our Products are Made in the USA and we Proudly Support Veteran Endowments
