

**Industrial Products**

## **EZ Cut**

**DESCRIPTION:** EZ CUT is a universal cutting and tapping fluid that performs extremely well on all metals including aluminum, stainless steel, and alloys. EZ CUT is formulated to improve tool performance and extend tool life. It contains additives to prevent pitting, galling and metal seizure and is suitable for use on hard to work metals.

**ADVANTAGES:** 1) Prolongs tool life. 2) Cools and lubricates work piece and tool. 3) Easily applied and removed. 4) Transparent for easy visibility. 5) Non-chlorinated

**AREAS OF USE:** Machining, Punching, Sawing, Milling, Grinding, Cutting, Tapping and Threading.

### **SPECIFICATIONS:**

Classification	Aerosol
Color	Clear
Odor	Not Available
Flash point	-156.0 °F
Boiling point	90.85 °F
Solubility in water	Not Available

**Certified 100% Women-Owned Small Business**
