Odor Digester Bags and Granules

Areas of Use: Can be used in any room or office anywhere. Hang it or sprinkle anywhere odors linger.

DESCRIPTION ODOR DIGESTER BAG removes odors from the air like a magnet. There is no need to come into contact with the source of the odor to work, simply place the bag near the odor in order to freshen the whole room. ODOR DIGESTER BAG cleans the air by absorbing and neutralizing odors without chemicals or fragrances that can actually add to the levels of indoor air pollutants. Completely safe to use anywhere and can even be disposed of by adding to soil or placing in green waste recycling. Use to remove smoke, pet odors, musty mildew, trash and dumpster odors, urine, skunk and more! Simply hang bag in the area you wish to have freshened.

ADVANTAGES: 1) Non-Toxic. 2) Non-Hazardous. 3) Non-Caustic. 4) Completely biodegradable. 5) Safe around pets and people.
