## Zen Kill III

**DESCRIPTION:** ZEN KILL III wasp and hornet spray is a sure shot, long distance wasp and hornet spray. ZEN KILL III is completely non-chlorinated, and contains no ozone depleters. ZEN KILL III has an extremely powerful delivery system, which directs a concentrated spray to wasps/hornets and their nests from up to 20 feet away. ZEN KILL III has been specially formulated with a high dielectric strength, 33,000 volts, for use where power lines, transformers and other areas of conductivity are of a concern. ZEN KILL III is the new way to knock down unwanted bees, hornets, wasps and yellow jackets.

**ADVANTAGES:** 1) Instantly knocks down the insect on contact. 2) Quickly kills after initial knockdown. 3) Long range power stream carries effectively for up to 20 feet. 4) Non-conductive up to 33,000 volts. 5) Kills wasps, hornets, yellow jackets and bees. 6) May be used indoors (such as in attics where nests are built) as well as outdoors. 7) Excellent for flushing out nests.

**AREAS OF USE:** Anywhere wasps, hornets and yellow jackets nest, such as under eaves and overhangs, in barns, and attics, trees, bushes, chimneys, cracks, crevices, attics, warehouses, and other areas where food items are not exposed.
