Ice Off Organic

Areas of Use: Driveways, walkways, roads, streets, highways and more.

DESCRIPTION: ICE OFF ORGANIC ice melter is a fertilizer based ice melter. It is made primarily from potassium chloride and its by-products making it the choice of those concerned about the environment. Potassium, a required nutrient to plant life, has long been known as a safe ingredient to melt ice safely. ICE OFF ORGANIC ice melter is a premium product designed to tackle the worst winter weather conditions, while still being completely organic and environmentally safe. ICE OFF ORGANIC Ice melter works better than traditional ice melters, but carries none of the risks. It reduces to a colorless and odorless liquid, with a neutral pH balance.

ADVANTAGES: 1) Effective to -15°C (+5°F). 2) Easy to use. 3) Instant traction. 4) Leaves no oily residue. 5) Requires no special handling.

SPECIFICATIONS:

Classification	Solid
Color	White Granules
Odor	None
Boiling point	2575° F
Solubility in water	31.7 g/100mL
