## Pro Repair Patch

**DESCRIPTION:** PRO REPAIR PATCH is ideal for repairing leaky pipes, tanks, corroded metal parts, cracked or rotted wood along with hundreds of other applications. PRO REPAIR PATCH will not rot or rust. It is flexible, strong, long lasting, and fits around any angle. Cures in as little as 5 minutes and can be drilled, sanded, or painted. Works well on plastic, metal, pipes, concrete, drywall, fiberglass, wood, rubber, gutters and much more! (Except Polypropylene). PRO REPAIR PATCH is the quick and easy solution for all your repair problems. Great for the tool box, job site, repair trucks, maintenance departments, or at home! Easy to use, simply cut off just the amount you need or use the whole patch, no mixing, no measuring, no mess, no tools.

**ADVANTAGES:** 1) Durable finish may be painted or primed. 2) Repairs wrap around pipe insulation, prolonging life. 3) Water resistant coating prevents condensation and dripping.

**AREAS OF USE:** Ships, boats, automotive, residential, apartment and dorm repairs, construction, HVAC, industrial and maintenance departments and much more.
