Sweat Free

DESCRIPTION: SWEAT FREE is a convenient, ready-to-use spray-on pipe insulator that dries to a hard white coating which can be painted or primed when dry. Prevents sweating and dripping on cold water pipes, refrigeration lines, condensers, air conditioning lines, and other cold surfaces. Insulates water tanks, metal gutters, ducts and toilet tanks. Fan spray application provides an excellent method of repairing wrap around type insulation. Easy to apply to hard to reach areas and expanding spray conforms to irregularly shaped surfaces. SWEAT FREE adheres to galvanized, black iron, steel, brass, copper, and PVC piping. Nonflammable when dry.

ADVANTAGES: 1) Durable finish may be painted or primed. 2) Repairs wrap around pipe insulation, prolonging life. 3) Water resistant coating prevents condensation and dripping.

AREAS OF USE: Air conditioning maintenance workers, aircraft maintenance, industrial operations, food plants, refrigeration trucks, cold storage lockers, shipping operations, kitchens and indoor ice rinks.

SPECIFICATIONS:

Classification	Aerosol
Color	Clear
Odor	Mild Solvent
Flash Point	ND
Solubility in water	0%
VOC	32%
