Enzy Frenzy

DESCRIPTION: ENZY FRENZY is an active odor eliminator designed to counteract any organic odors including human and animal waste, urine, body odors and fecal matter. ENZY FRENZY uses natural bio-enzyme power to digest organic wastes and eliminate the odors they generate. ENZY FRENZY features a special inverted spray valve to make applying the product quick, easy and effective. ENZY FRENZY has a clean, fresh fragrance that will last for an extended period of time while completely eliminating the foul odors. Use ENZY FRENZY in restrooms, kennels, trash bins, fleet automobiles, kitchen areas, floor drains, veterinary clinics, hospitals, schools, etc. Ideal for use on floors, carpets, upholstery, trash cans, walls, behind toilets and urinals, virtually any surface where organic waste or by-products generate foul odors.

ADVANTAGES: 1) Live bacteria biologically destroy odors at the source. 2) Removes organic odors from carpet, textiles and washable fabrics. 3) Safe on virtually all carpets and fabrics. 4) Easy to use, simply point and spray. 5) Utilizes natural organisms to digest odor-causing material. 6) VOC compliant in all 50 states.
