Fly Out

DESCRIPTION: FLY OUT is an ultra strength drain fly treatment product. FLY OUT breaks down organic material where drain flies live, feed and breed. By eliminating their source of food, it eliminates their existence. The thick gel coats drains to attack decomposing organic material throughout the drain. Drain flies are a health hazard and they breed in the organic matter found in grease traps, floor drains and sink drains. FLY OUT eliminates the food source for drain flies, thereby eliminating them. FLY OUT contains no hazardous ingredients.

ADVANTAGES: 1) Blend of environmentally safe ingredients, contains NO poisons or insecticides. 2) Safe on all plumbing, including metal, glass and plastic. 3) Contains NO acids, NO caustics and NO ozone depleting chemicals. 4) Completely environmentally safe, biodegradable, non-toxic, non-fuming and non-corrosive. 5) Rids drains of fly's main food source. 6) Uses non-pathogenic bacteria, certified Salmonella free. 7) Has a pleasant fruity fragrance.

AREAS OF USE: Excellent for use wherever drain flies exist, such as restaurants, bars, cafeterias, kitchens and anywhere else drain fly problems exist.

SPECIFICATIONS:

Classification	Liquid bacteria
Odor	Fruity
Flammability	Non flammable
Evaporation rate	Slow
Boiling point	212° F
Solubility in water	100%
Biodegradability	100%
