

## Industrial Products

### Ice Off "A"

**DESCRIPTION:** ICE OFF "A" is a fast working, alcohol based aerosol spray that instantly dissolves ice, frost and snow from windshields and windows. ICE OFF "A" eliminates scraping and chipping from glass, which reduces the chance of cracking and/or breaking. ICE OFF "A" has a water free formula that produces a super wet spray and can also be used in advance to prevent ice from forming on windows. ICE OFF "A" causes no distortion, will not gum on contact and rinses clean with water. ICE OFF "A" can be used to help prevent frozen locks or to thaw frozen locks.

**ADVANTAGES:** 1) Eliminates scraping and glass damage. 2) Can be sprayed on in advance to prevent freezing. 3) Will not gum up on surface or distort vision. 4) Prevents locks from freezing. 5) Packed in convenient to use aerosol cans. 6) Rinses clean and complete with water. 7) Safe on virtually all surfaces. 8) Instantly melts ice, frost and snow.

**AREAS OF USE:** Windshields, windows, headlights, taillights, door locks, hoods, hinges, trunks, freezer compartments, chillers, A/C equipment and more.
