

Industrial Products

Nex Solv

DESCRIPTION: NEX SOLV is one of the most powerful industrial solvent cleaners available. NEX SOLV is fast drying, non-flammable, and non-conductive to 29,000 volts. NEX SOLV dries residue free and is corrosion inhibited for protection of all surfaces. Use NEX SOLV to remove grease, oil, dirt, and other deposits from electric motors, power equipment, printing presses, conveyors, escalators, and virtually all other metal equipment or parts cleaning. NEX SOLV is an excellent industrial cleaner that has the advantage of a high dielectric strength for use on live electrical equipment. NEX SOLV contains no 1,1,1 Trichloroethane. Please test product prior to using on any plastic.

ADVANTAGES: : 1) Strong solvent cleaning power with NO OZONE DEPLETING chemicals. 2) Fast drying and leaves no film or residue. 3) Contains no CFC's or HCFC's. 4) Safe to use on live electrical motors, non-conductive to 29,000 volts. 5) Completely non-flammable with only a slight odor.

AREAS OF USE: For industrial cleaning and degreasing of tools, engine parts, electrical motors, bearings, gears, switches, relays, generators, compressors, turbines starters, molds, production machinery, meters, refrigeration and A/C equipment, and much more.

SPECIFICATIONS:

Classification	Aerosol solvent
Color	Clear spray
Odor	Chlorinated solvent
Flash point (concentrate)	Non-flammable
Spray pattern	Powerful stream
Solubility in water	Insoluble

Certified 100% Women-Owned Small Business

Dedicated to Integrity • Reliability • Quality Products • Friendly Service

Our Products are Made in the USA and we Proudly Support Veteran Endowments
