Oven Ease A

DESCRIPTION: *OVEN EASE A is an industrial strength, caustic-based oven cleaner formulated to clean stubborn, baked-on grease, grime, carbon build-up, soot and spills. Its clinging formula is designed for use on ovens, broilers, barbecue grills, rotisseries and more. Recommended for use only on porcelain, enamel, iron and stainless steel. Works on warm or cold ovens and grills. Cleans and shines cooking equipment. Fast, clean, and effective application for daytime or overnight cleaning. Simply spray on warm or cold ovens and wipe clean. Leaves surfaces sparkling clean without scouring or harsh fumes. OVEN EASE A is ideal for cleaning ovens, barbecue grills, stoves, overhead hoods, flues, fryers, exhaust fans, porcelain, ceramic, and stainless steel.*

AVANTAGES: *1) Thick foam clings to vertical surfaces. 2) Self-cleaning. 3) Quickly penetrates. 4) Cleans warm or cold.*

AREAS OF USE: Apartments, hospitals, care facilities, convention centers, meeting halls, restaurants, kitchens, and more.
