Dumpster Diver

DESCRIPTION: DUMPSTER DIVER is a super concentrated, powerful odor counteractant combined with detergents to effectively remove odors while cleaning trash facilities and holding areas. DUMPSTER DIVER is designed for the tough job of deodorizing and cleaning trash chutes, dumpsters, and other trash collection facilities and regular use of DUMPSTER DIVER will help keep facilities clean and odors under control. DUMPSTER DIVER can be poured or sprayed by hand or automatically dispensed in trash chutes and dumpster areas using an automatic drip or spray system.

ADVANTAGES: 1) Effectively destroys all odors. 2) Versatile product can be sprayed by hand or used in an automatic system. 3) Does two jobs at once by cleaning and deodorizing.

AREAS OF USE: Dumpster areas, hotels, hospitals, waste management facilities, transfer stations, amusement parks, garbage trucks, restaurants, trash chutes, waste storage areas, and any other place where odors are a problem.
