Enviro Solidifier

DESCRIPTION: ENVIRO SOLIDIFIER is for use with latex paint or other water based product that is safe to dispose of in a landfill. Can be used to contain spills and solidify unused paints. 30 lbs will treat 107 gallons of paint waste. It is great for quickly containing job site paint spills. Keep a bag of ENVIRO SOLIDIFIER in your pocket or tool kit at all times for annoying spills that would otherwise eat away at valued productive hours. Using up all your paint is always the best option, but ENVIRO SOLIDIFIER is a great alternative.

ADVANTAGES: 1) Non-hazardous. 2) Non-toxic. 3) Non-flammable. 4) Low odor. 5) Reduces labor. 6) Makes cleanup easier. 7) Reduces pollution.

AREAS OF USE: Industrial plants, paint shops, municipalities, school districts, and anywhere else where there is left-over paint or where paint spills occur.
