

## Green Wash Spray N Shine

**DESCRIPTION:** GREEN WASH SPRAY N SHINE is a unique, revolutionary new product that is completely biodegradable, non-toxic, non-hazardous, safe to the environment, and works exceptionally well. GREEN WASH SPRAY N SHINE safely cleans all car finishes without using any water and without damaging the paint. GREEN WASH SPRAY N SHINE contains biodegradable polymers that encapsulate and completely remove the dirt, leaving clean polished surfaces. GREEN WASH SPRAY N SHINE is completely waterless, saving up to 150 gallons of water per vehicle. GREEN WASH SPRAY N SHINE dries streak free, leaving the surface cleaned, shined and protected. Use GREEN WASH CSP, the all-natural solution to cleaning cars, trucks, buses and vans. GREEN WASH SPRAY N SHINE does not contain any hazardous ingredients. Perfect for use as final touch up before delivery in industrial, manufacturing and automotive manufacturing, service and sales.

**ADVANTAGES:** 1) Safely cleans, shines and protects in one application. 2) Easy to use, simply apply with a soft non-abrasive cloth and wipe until clean. Turn cloth over and buff to a polish. 3) Safely removes dirt, grime, insects and even road tar. 4) Each quart washes up to 8 vehicles, saving up to 1200 gallons of water.

**FOR USE ON:** Excellent for use on automobiles, trucks, buses, vans, motorcycles, pickup trucks, boats, golf carts, recreational vehicles, taxicabs, forklifts, tractors, mowers, and more.
