

Solution Series HAND TOOLS

AUTOBAHN ERGONOMIC AUTO-ADJUST PLIER SYSTEM

LIFETIME WARRANTY

Faster, easier, safer!

- Automatically adjusts to any size with just one hand
- Available in 3 sizes: 7", 10", 12" w/pouch
- State-of-the-art innovation in a water pump plier design
- Faster, easier and safer to operate than any other pliers on the market
- Aggressive jaw gripping feature significantly reduces burring on material surface
- Heavy-duty CrV (chrome-vanadium) steel construction
- Heavy-duty 56HRC hardened jaw teeth
- Ergonomic grip handles and built in absorbing spring provide increased comfort and help reduce hand fatigue
- Self locking jaw design grips tighter than conventional pliers
- Meets and exceeds DIN specifications and ISO standards

Aggressive jaw gripping feature significantly reduces burring on material surface
