

## Alkie Wipes

**DESCRIPTION:** ALKIE WIPES are pre-saturated with a 70% ISO alcohol formulation to easily clean surfaces without leaving a residue. Alcohol wipes are ideal for all general purpose cleaning applications and are well suited for touch-up cleaning. Great for door handles, desks, phones, counter tops, keyboards, printer surfaces, escalators, elevators, railings tool handles, slot machines, cash counting machines, electronics, etc. ALKIE WIPES are anti-static and safely clean LCD screens, touchscreens, laptop screens, monitor screens, phone screens and more! Simply remove lid and discard inner seal. Pull wipe from the center of roll through the hole in the canister lid for easy dispensing. Keep cap over lid closed when not in use. For use on non-porous surfaces.

**ADVANTAGES:** 1) 70 % alcohol formula helps reduce the risk of infection from disease. 2) Convenient pre-moistened wipes ensures you can sanitize and clean up small spills anywhere. 3) No unwanted and wasteful dripping associated with gel sanitizers or sprays.

**AREAS OF USE:** Designed for use in all work places for plumbers, electricians, health care workers, office staff, cities, counties, schools and anywhere else that screen cleaning, small touch-up cleaning or hand sanitizing is needed.
