

Industrial Products

Simply Smooth

DESCRIPTION: *SIMPLY SMOOTH is designed to be used whenever skin becomes rough, cracked, or dried out from exposure to chemicals, work or weather conditions. This high moisturizing mineral oil free, skin care lotion is designed to be used in industrial settings, where rough, dry skin is a common occurrence. It is a non-greasy, water based formula fortified with aloe that will not leave hands feeling greasy or slippery. SIMPLY SMOOTH is specially formulated to revitalize rough, dry and flaky skin returning it to its original condition. It is silicone free. Contains aloe vera, lanolin and other emollients to restore skin to its original softness.*

ADVANTAGES: 1) Greaseless formula leaves skin soft and silky, not oily. 2) Contains Aloe and Lanolin to moisturize and repair skin. 3) Daily use will assist in prevention of irritation from dry cracked skin.

AREAS OF USE: *Painters, mechanics, plumbers, janitors, field service technicians, general maintenance personnel, construction workers, warehouse workers, forklift operators, office personnel, lab workers, health care professionals, teachers and more.*
