

## Industrial Products

### Grime Wipes

**DESCRIPTION:** GRIME WIPES is a revolutionary unique hand cleaning wipe, combining powerful cleaning agents with antiseptic and conditioning agents. GRIME WIPES contains multiple emollients and natural oils to soften and condition skin. This unique solvent free formula will not dry out or defat the skin; in fact using GRIME WIPES will help restore the skins natural moisturizers. GRIME WIPES quickly removes adhesives, paints, inks, greases, oils, lubricants, tar and many more hard to remove soils. GRIME WIPES requires no rinsing, leaves no residue, conditions with each application and contains an antiseptic agent. GRIME WIPES also works well on cleaning tools and most other non-porous surfaces. This heavy duty, industrial strength wipe makes on the spot cleaning EASY and COMPLETE. Comes in a large canister with 90 non-gritty wipes and a handy size with 20 2 sided wipes, grit on one side smooth on the other.

**ADVANTAGES:** 1) Heavy duty, pre-moistened wipes. 2) Extra porous textured wipes lift grease and grime from surface. 3) Provides actual one step on the spot heavy-duty hand and parts cleaning. 4) Contains germ fighting antiseptic agents. 5) Requires no rinsing, dries quickly and leaves no residue. 6) Conditions and moisturizes the skin with each application. 7) Unique solvent free formulation will not dry out skin. 8) Excellent cleaner for many surfaces.

**AREAS OF USE:** Construction workers, printers, field service technicians, vehicle maintenance shops, manufacturing plants, utility workers, food service personnel, health care personnel, hospitals, municipalities, landscapers, painters, plumbers, electricians, carpenters, machinists, truck drivers and anyone else with dirty hands anywhere.
