Berry Power

BERRY POWER is a super high intensity odor control formula soaked into all natural crushed walnut shells making it completely environmentally safe to use and 100% biodegradable. This remarkable product effectively eliminates foul odors at the source and in the air making it the ideal deodorizer for trash bins, dumpsters, compactors, cigarette urns, etc. BERRY POWER is convenient, ready to use, and works instantly to freshen and deodorize areas at apartment complexes, hospitals, animal clinics, schools, public buildings, office parks, hotels, convalescent homes, restaurants, and anywhere else that has to deal with foul odors. BERRY POWER is the strongest dry deodorant available and works where other products have failed, you will be amazed with the results! The highly concentrated formulation means a little bit goes a long way and it works instantly to knock out all foul odors. The granular form makes it easy to see where it has been applied and provides long lasting results by using very small amounts on a regular basis.

Available in 2lb shaker and 50lb container.
