# OFF-A PLUS

***OFF-A PLUS is an extra heavy-duty mark and graffiti remover. OFF-A PLUS is a unique blend of solvents, designed for removing most graffiti and markings found in public places including permanent marker, ink pen and paint. OFF-A PLUS's high viscosity power spray helps blast graffiti off the surface, quickly and easily, while the gel formulation remains and penetrates to remove whatever is left behind. Effective on porous and non-porous surfaces. OFF-A PLUS will not harm aluminum, steel, glass, concrete, porcelain, brass, chrome, marble, brick and most enameled surfaces. OFF-A PLUS is also safe on most plastics, Lexan, painted surfaces, rubber, asphalt tiles and many other synthetic surfaces. Government agencies, building engineers and facility maintenance managers across the country use OFF-A PLUS because it works!***
