

## Strip It

*This gel formulation paint remover quickly blisters paint, epoxy paint, lacquer, shellac, enamel, varnish, labels, carbon deposits, silicone, simulated wood paneling and similar materials for complete removal. STRIP IT is designed to adhere to vertical surfaces and will not run. Authorized by the USDA for use in federally inspected meat and poultry plants. STRIP IT is safe for use on metal parts, plaster, concrete, tile, glass, ceramic, engine parts, valve seals, paint guns, paper, wood, stone, masonry and cylinders. STRIP IT works very well to remove graffiti on brick, concrete and other surfaces that do not have a base layer of paint you want to protect.*

*This water rinseable formula is non-corrosive to metals, and penetrates to remove multiple layers of paint quickly and easily. The clinging gel adheres to all surfaces and the convenient aerosol packaging is perfect for easy clean up, no brushes needed.*
