VS 102

DESCRIPTION: VS 102 is a powerful insecticide that leaves a pleasant vanilla aroma with no lingering harsh chemical odors. VS 102 creates an invisible barrier that keeps bugs from coming back for up to 7 weeks after only one application. This solvent-based insecticide is formulated with ETOC for the fastest knockdown possible. VS 102 kills a broad spectrum of insects on contact. Also contains esfenvalerate for residual treatment up to 7 weeks. It provides total control of ants, roaches, carpet beetles, silverfish, mosquitos, crickets, spiders, waterbugs, scorpions, sowbugs, fleas and ticks. Perfect for use in areas where harsh scents are not ideal.

ADVANTAGES: 1) Provides immediate kill on contact. 2) Leaves long lasting residual action, for up to 7 weeks. 3) No harsh odors when sprayed, leaving a pleasant vanilla fragrance. 4) Superior treatment for baseboards, window and door frames, corners, pipes, storage localities, attics, crawlspaces and wherever insects are. 5) The directed stream penetrates and concentrates product where you want it to go.

AREAS OF USE: Apartments, hotels, condominiums, warehouses, schools, office buildings, hospitals, retirement facilities, institutions, industrial plants, restaurants, motels, golf courses, municipalities, utility companies, and much more.
