

# Barricade

## Graffiti Barrier

Product #ABX112

When applied to hard, non-porous surfaces, BARRICADE forms a protective wax barrier that resists graffiti and other stains. After initial application, BARRICADE will remove new graffiti and re-coat surfaces with barrier film in one easy step. It may be applied to metal, vinyl, Formica, enamel and linoleum.

### Areas of Use:

- Apartments
- Cities
- Counties
- Office Buildings
- Hospitals
- Care Facilities
- Industrial Plants
- Restaurants
- Kitchens
- Bathrooms
- Bus Yards
- Schools
- Golf Courses
- Event Halls

### Effective Against:

- Graffiti
- Other Stains

### Directions for Use:

Shake well before using. Press button firmly holding can upright about 12" from surface. Wait 10 seconds for spray to dry. Wipe with clean, soft cloth. Avoid overspray on flooring as surface may become slippery. After initial application, Barricade will remove new graffiti and re-coat surfaces with barrier film in one easy step.

### Specifications:

Classification	Transparent liquid
Color	Colorless
Odor	Mild solvent
Solubility in water	Not available
Flammability	Extremely Flammable spray
