

Carb Clean

Product #ACC302

Choke & Carburetors Cleaner

CARB CLEAN is an aerosol spray cleaner for carburetors and automatic chokes that dissolves gums, varnish, red oxide, and other residues which might interfere with the running of the vehicle. Contains no chlorinated solvents. Periodic use improves gas mileage and overall engine performance.

Areas of Use:

- Carburetor Valves
- Automatic Chokes
- Choke Linkages
- Accelerator Linkages
- PVC Valves
- Vacuum Pistons
- Thermostatic Coils
- Manifold Heat Control Valves
- Crankcase Ventilation Valves

Effective Against:

- Dirt
- Gum
- Varnish Deposits

Directions for Use:

Stop engine and remove air cleaner. Remove caked surface deposits first. Remove protective cover from choke controls. Spray internal parts until clean. On vacuum pistons, work lever while spraying. On carburetors, spray around throat and linkage mechanisms.
