

Cinnamon Stick

Product #ACN376

Air Freshener Dry Spray

CINNAMON STICK represents the next generation in aerosol room deodorizers. The revolutionary formulation of CINNAMON STICK contains all of the performance one might expect from a dry-type air freshener, but with a unique twist. CINNAMON STICK has excellent blooming characteristics, which is the ability of the fragrance to continue to blossom after spraying. CINNAMON STICK's ultra fine particle size, only 6 microns, creates superb suspension time with no fall out and no residues, excellent for use in textile applications. CINNAMON STICK contains a premium fragrance made from nature's best botanical fragrance oils, plus two odor counteractants for maximum deodorizing power.
