

Clear Away

Drain Opener

Product #QCA307

CLEAR AWAY a powerful, super-potent caustic drain opener and maintainer with no dyes. CLEAR AWAY is heavier than water, which enables it to seek out and eliminate the problem area. Since CLEAR AWAY contains no acids, it is completely odorless when used. CLEAR AWAY quickly opens grease clogged pipes by converting problem grease into a liquid soap which washes away freely.

Areas of Use:

- | | | |
|---------------------|-----------------------|--|
| • Schools | • Railway Stations | • Office Buildings |
| • Hospitals | • Nursing Homes | • Golf Courses |
| • Industrial Plants | • Municipal Buildings | • Health Spas |

| • Public Restrooms | • Apartments | • Any other place where clogged drains are a problem |
| • Bus Stations | • Restaurants | |
| • Airports | • Truck Shops | |

Effective Against:

- | | | |
|--------|----------|------------------------|
| • Rags | • Paper | • Other organic matter |
| • Hair | • Grease | |

CAUTIONS: Avoid contact with eyes, skin, and clothing. For eye contact: flush with water for 15 minutes while holding the upper and lower lids open. See a doctor immediately. For skin contact: wash affected area well with soap and water. If irritation persists see a doctor.

PRECAUTIONS: Do not use before partially opening drain. Do not stand over and look into drain after applying. Never use product with acid bowl cleaners, sulfuric acid drain openers or any other chemicals. Do not plug opening, use a plunger or pressurized drain opener while product is in the drain.

Directions for Use:

For Drains: Pour 1/2-1 quart slowly into the drain. Allow to work for 30 minutes. For difficult obstructions, a second application may be needed. Where there is a history of obstructions, the regular use of this product at weekly intervals (or more often if required) will keep the line open and free flowing.

Specifications:

Classification	Liquid drain opener
Color	Clear
Odor	Negligible
Boiling point (liquid only)	291°F
Solubility in water	100%
pH	14.0
