

Odor Digester Sponge

Odor Absorber

Product #BOD797

Product #BOD798

ODOR DIGESTER SPONGE is a solid, paste-gel containing activated charcoal to absorb and neutralize undesirable odors and fumes. ODOR DIGESTER SPONGE is designed for continuous use, is non-toxic, non-flammable, environmentally safe and easy to use. The molecules of the ODOR DIGESTER SPONGE, when air borne, have the ability to chemically change, absorb and encapsulate the molecules of the bad odor.
