EZ Cut

Product #AEZ172

Coolant for Drills, Parts, & Cutting Tools

EZ CUT is a clear synthetic aerosol cutting and tapping fluid. EZ CUT is the ideal lubricant/coolant for machining operations that do not have their own recycling coolant unit. EZ CUT works on all steels and non-ferrous metals, including stainless steel, titanium, monel and aluminum. EZ CUT is a clear fluid which means better visibility in critical machining areas. EZ CUT increases production with longer tool life due to the coolant action of EZ CUT resulting in less burning. EZ CUT helps to protect treated surfaces from corrosion.

Areas of Use:

- Machining
- Milling
- Tapping
- Punching
- Grinding
- Threading
- Sawing
- Cutting

Effective Against:

- Pitting
- Galling
- Metal Seizure

Directions for Use:

Spray area to be worked generously. Reapply as necessary to keep work are cool and well lubricated.

Specifications:

Classification	Aerosol
Color	Clear
Odor	Not available
Solubility in water	Not available
Flammability	Extremely flammable spray
