

## Industrial Products

### Lift Station Degreaser

Product #GLS290

*Degreases, Deodorizes, and Cleans*

LIFT STATION DEGREASER is a floating cleaner and degreaser that emulsifies and liquefies grease, sludge and raw sewage. The product attacks the accumulations of sewage, grease, oils, fatty acids, calcium and soap scum that attach themselves to the walls of wet wells. It instantly deodorizes the well, leaving a fresh citrus scent. LIFT STATION DEGREASER is biodegradable.

#### Areas of Use:

- Lift Stations
- Grease Traps
- Drain Lines
- Portable Toilets
- Sewage Pits

#### Effective Against:

- Sewage
- Grease
- Oils
- Fatty Acids
- Calcium
- Soap Scum

Contract # 47QSWA20D0008

**Advantage!**

**CAUTIONS:** Avoid contact with eyes, skin, and clothing. For eye contact: flush with water for 15 minutes while holding the upper and lower lids open. If irritation persists, see a doctor immediately. For skin contact: wash affected area well with soap and water. If irritation persists see a doctor.

#### Directions for Use:

Add Lift Station Degreaser as is, do not dilute, directly to the wet well until a layer of 8 to 12 inches is floating on top of the surface. This initial treatment should last for approximately 3 to 6 months, depending on the system demands.

#### Specifications:

Classification	Liquid degreaser
Color	Dark red
Odor	Citrus
Boiling point (liquid only)	>212°F
Solubility in water	Non soluble
Flammability	Very low
