Nex Tape

Product #BNT568-color

Repair tape

NEXTAPE is a revolutionary silicone repair tape designed for use wherever a tough, high temperature, permanently resilient insulation or seal is required. NEX TAPE is versatile and easy to use, with no sticky residue. Properly installed, NEX TAPE provides an air tight, moisture-free seal around hoses, fittings, tubes and wire harness bundles. NEX TAPE can be used for everything from emergency repairs to electrical wiring, to waterproofing and pipe repair. NEX TAPE withstands 600 psi, up to 500 degrees F of heat, plus it insulates to 400 volts/mil (8,000 volts per layer). Simply put, NEX TAPE is a self fusing repair tape that should be in every toolbox. Each roll is 1 inch x 10 feet, and stretches up to 30 feet in application. Available in black, red, yellow and clear. Black also comes in Large 2 inch by 36 foot rolls. SDS not needed for this product.

Product numbers:

BNT568-B - Small Black BNT568-C - Small Clear BNT568-R - Small Red

BNT568-Y - Small Yellow BNT568L - Large Black

Areas of Use:

- Radiator Hose Repair
- Water Hose Repair
- Pipe Repair
- Boat Rigging
- Coating Ends of Rope
- Corrosion Protection
- Electrical Insulation
- Weatherproofing Electrical Connections
- Wiring Harnesses
- Wire Bundles
- Sealing Electrical Connections
- Plumbing Repair
- Emergency O-Rings and Seals
- Underwater Repairs

Effective Against:

- Oils
- Fuel
- Solvent
- Saltwater
- UV Rays

Directions for Use:

Wrap Nex Tape around project by stretching and overlapping onto itself. Stretch at least double to ensure a good bond, for high pressure leaks stretch to maximum amount. The tighter the tape is wrapped, the quicker and stronger the bond.
