Nexgel

Organic Gel Degreaser & Gum Remover

Product #ANG374

NEXGEL is a highly concentrated blend of all organic and biodegradable solvents specially formulated as an organic engine degreaser. NEXGEL sprays to a unique gel base, which allows it to cling to vertical surfaces, quickly penetrating and emulsifying tar, asphalt, grease, creosote and oils. After cleaning, NEXGEL may be easily washed off with water or solvent. NEXGEL is safe to use, contains NO OZONE DEPLETING compounds, and does not contain any chlorinated or fluorinated solvents. NEXGEL packs the power of yesterday's harsh solvents, with the environmental concerns of today.

Areas of Use:

- Automotive Shops
- Truck Shops
- Motorcycle Shops
- Construction Equipment
- Earth Moving Equipment
- Golf Course Vehicle Maintenance Shops
- Cemetery Maintenance Shop
- Forklift Maintenance Shop
- Roofing Equipment

Effective Against:

- Tar
- Asphalt
- Grease
- Creosote
- Oils
- Dirt
- Gum
- Stains
- Adhesive

Directions for Use:

When using on painted surfaces, test a small area to be sure paint is not affected. To remove oil, grease, tar, gum, adhesive and asphalt from other surfaces, apply to surface covering area to be cleaned completely. Allow product to work for ten to fifteen minutes. Wash off with a strong steam of water. Heavily soiled areas may require scrubbing or a second application.

Specifications:

Classification	Aerosol degreaser
Color	Brown gel
Odor	Aromatic solvent
Solubility in water	100%
Flammability	Extremely flammable spray
