Shine It On Wipes

Product #WSO194

Vinyl & Rubber Protectant Wipes

SHINE IT ON wipes are the fast and easy way to clean and protect all surfaces of your vehicle. Pre-moistened with an advanced water-based silicone formula, SHINE IT ON wipes condition and protect leather, vinyl, plastic and rubber surfaces, both inside and outside the vehicle, while they clean and restore the surface's original shine. SHINE IT ON wipes keep dashboards from drying, cracking and fading under the intense rays of the sun. They also clean and restore the "showroom shine" to parts: side moldings, rubber bumpers, cup holders, door and window seals and even plastic hub caps. Best of all, SHINE IT ON wipes have a special added anti-static ingredient that repels dust and keeps surfaces looking new long after they've been cleaned.

Areas of Use:
